

Summer Term 2 in Year 4

English

Welcome back!

Our topic continues to be 'Ancient Rome'

Dates for your diaries:

PE days – **Wednesdays** and **Thursdays**.

Wb 10.6.24 **The official Multiplication Times Table Check**

18.6.24 Verulamium Museum

19.6.24 Athletics at DCHS

Some of the books which will inspire our writing will be:

- Romulus and Remus
- Survivor- Escape from Pompeii
- Roman Invasion: A British Boy (Diary)

We will be completing a series of writing tasks, including newspaper articles, balanced arguments, instructions, character profiles and monologues.

Maths

In Maths, we will investigate shape, focusing on polygons and lines of symmetry. We then move on to statistics featuring drawing and interpreting line graphs. Finally, we explore position and direction and the use of co-ordinates

Science

Our science unit will be Electricity. We will identify common appliances that run on electricity and construct a simple series electrical circuit, identifying and naming its basic parts. The children will recognise some common conductors and insulators, and associate metals with being good conductors and look how electricity is generated.

History

This term we will be learning about the Ancient Romans. We will be looking at who the Romans were, how they lived, their legacy and their impact on Britain today.

Reading

Please ensure that all reading is logged on BoomReader a minimum of 3 times a week.

Summer Term 2 in Year 4

PSHE

Our unit will be 'Growing and Changing'.

DT

Children will be applying their understanding of electrical circuits to design and make a night light that they will take home.

RE

We are asking the question; Why are there four gospels and how relevant are they to Christians?

French

This half term we will mostly dedicate to revision of the units we have covered to refresh our understanding.

Computing

In computing, we will be using knowledge of repetition and loops to design and create a game which uses repetition utilising the Scratch program

Music

This term a specialist teacher will be teaching the children to play the ukulele with a focus on melody, chords and strumming rhythms.

PE

Tennis and Athletics.
