

A word from Mr Lloyd

Friday 7th June 2024

Dear Parents and Carers,

Welcome to the final term of the school year! It's been a very busy year and it's hard to believe that we're heading into the final part! There's still lots of exciting things to come, with many school trips, Sports Day, the Y6 residential and all of the preparations for next year!

This week has been very busy as well, beginning on Monday with our INSET Day. On this day, all our staff received First Aid training. It was a very useful day, with the staff receiving training on how to deal with a range of injuries and first aid situations. We were able to practise CPR on a model and I became a recipient of several bandages as people practised how to tie slings and apply bandages! Keeping the children safe is a key part of our job and this proved to be an incredibly useful course for all staff.

We've had several sporting events this week, with the Y4 children attending Amersham School for Boogie Bounce, which looked really exciting! We also had a House running competition on Wednesday, which saw all of the children involved and excited to take part in healthy competition!

Our recycling competition also came to an end this week. It was incredible to see the amount of recycling that we have collected as a school and I'm very proud of how the school community came together to achieve this.

Finally, we had a brief visit from PCSO Day this morning on her usual rounds to introduce herself to the community and support us with key issues such as safe parking. Please act as good role models for our pupils when you are around officers and demonstrate the respect which we would all expect to see.

Many thanks,

Mr Lloyd

A polite notice from the Hideout Zone

We do not allow dogs onto the school playground – even when collecting children – please keep them safely outside the school grounds.

If you have any containers at home which you have borrowed or taken home from the Hideout Zone, please can these be returned.

Finally, if your child is going to be collected by anyone other than their parent/s or guardian, please can you inform the office by no later than 2.45pm so the message can be passed on to the Hideout Zone.
